Apply Online @
eaop.berkeley.edu

Application Deadline
November 5, 2016

Program Dates:

January 14 — March 4, 2017

**Student & Family Orientation
and Diagnostic Test:**

December 17, 2016

General Information

What is the SAT Academy?

For over 30 years, the Early Academic Outreach Program at UC Berkeley has helped high school students prepare for college by creating a community of young scholars and offering college preparatory academic enrichment opportunities. One of the exciting opportunities offered to EAOP students is the SAT Academy.

The SAT Academy is a nine-week SAT Reasoning Test preparation course that takes place on Saturday mornings between January 14, 2017 and March 4, 2017.

The SAT Academy is available to EAOP students in two different locations: UC Berkeley and Los Medanos College.

Application Process

How do I apply for the SAT Academy?

EAOP Juniors can apply to the SAT Academy by going to the website at eaop.berkeley.edu and filling out the online application. Students are expected to fill out the online application completely. Failure to do so may affect your chances of being selected for the program.

**Application Deadline:
November 5, 2016**

Eligibility Requirements:

- **Must be a current EAOP Junior**
- **Minimum 2.50 weighted GPA**
- **Have passed (with a C or better) or are currently enrolled in Algebra II/Advanced Algebra or equivalent course**

Selection Process

How do I get selected for the SAT Academy?

The EAOP staff will screen each applicant on the basis of the completed SAT Academy Application using a comprehensive review process. Selection will be based on an applicant's demonstrated level of scholarship in preparing for university work, as well as past participation in the EAOP program.

Notification of Admission: Students who apply by the deadline will be notified regarding admission in November.

Statement of Intent to Register: Students who are accepted to the SAT Academy will need to fill out a Statement of Intent to Register and other pertinent registration forms. Failure to return these forms on time may result in forfeiture of acceptance.

Student Expectations

What do I need to do?

Students are expected to arrive to all SAT Academy classes on time, attend all classes, complete all assignments, and conduct themselves according to the EAOP Student Expectations listed in the SAT Academy Student Handbook. Students who do not adhere to the expected policies will be subject to dismissal at the discretion of the EAOP administration.

Attendance Requirements

I'm going to be absent...

Students may be dropped from SAT Academy if they are absent more than once; two tardies are equivalent to one absence. Attendance at all SAT Academy classes is mandatory.

Students are required to give the EAOP staff and SAT Academy Instructors advance notice of their absence if they are going to miss class.

Program Fees & Transportation

How much does it cost?

Students do not pay SAT Academy program fees. Students are responsible for the cost of transportation and are expected to provide their own snacks.

Program Schedule

Students selected to be in the SAT Academy are expected to attend all classes. Classes are from 9:00 am —12:30 pm.

SAT Academy Program Dates

| Date | Activity |
|-------------------|--|
| December 17, 2016 | Student & Family Orientation and Diagnostic Test @ UC Berkeley |
| January 14, 2017 | Lesson 1 |
